

DUES AUTO-PAY AUTHORIZATION

We are still offering an affordable Payment Plan!

Even if you enroll in auto-pay, you can always go online and pay early. You will no longer be charged if there are no unpaid invoices left on your account. The Auto-pay program is the best way to avoid late fees!

If you would rather not have to fill up this form but would like to enroll for auto-pay, you may simply process your first payment online and select directly in the credit card information screen the option to pay automatically the next 5 installments with the same credit card.

I WOULD LIKE TO BE SET UP ON AUTO-PAY FOR FUTURE ANNUAL DUES RENEWAL PAYMENTS (Next year and beyond)

ABOUT AUTOMATIC PAYMENTS

- After an automatic payment has been processed, your receipt will be available via My Account at www.RanchoSoutheast.com
- You may opt to pay your balance sooner. If you have a zero balance, no automatic payments will be processed.
- If your credit card fails to process, your account may be suspended and a late fee applied (\$30 in January); a \$20 reconnect fee will apply to the remaining monthly installments if any of these payments fail to process and your MLS and Supra services are suspended.
- If you elect to be setup on auto pay for future years, you will receive a notification in December each year reminding you of your options to ensure you are able to make timely changes including updating your credit card and previously selected voluntary contribution choice.
